Multiple Swimmer Discounts will be given for swimmers in the same household.

2nd swimmer - 10% discount; Additional swimmers - 50% discount

ICAC offers a scholarship program. If a swimmer qualifies for free/reduced school meals, Hoosier Healthwise, or WIC programs, then the swimmer qualifies for a significant discount. See ICAC administrator for details.

ICAC also offers a 10% discount on ICAC membership for full payment at registration.

ICAC Registration Fee

The ICAC Registration Fee is \$30 for an individual swimmer or \$50 per family (household).

USA Swimming Membership Fees

The USA Swimming membership provides the registered swimmer with a secondary insurance policy and all USA Swimming/Indiana Swimming programming. The full USA Swimming membership is \$81.00 per swimmer. The membership is valid through 2021. USA Swimming offers a FLEX membership which allows swimmers to practice and compete in up to 2 meets. This is a great option for first year swimmers and/or those that may not plan on competing at many meets. If a swimmer decides to participate in more than three meets or participate in championship meets, they can pay the \$61 difference and upgrade to the full membership.

Meet Fees

Most meets will require a splash fee plus an entry fee per event. They will be billed to your account.
